

Wild Ones Root River Chapter

HOW: Register [HERE](#)
by July 6th to attend

Exploring the Sand Dune Ecosystem with Chase Firth, Natural Resources Coordinator

WHERE: Illinois Beach State Park, South Unit Visitor's Center

WHEN: AUGUST 1, 26 @ 10 AM - 12 PM

WHAT: 2.2 mile hike on a narrow, sandy path. Illinois Beach has the only remaining beach ridge shoreline left in the state. More than 650 species of plants have been recorded in the dunes area alone, some of the less common plants that can be seen on this walk are prickly pear cactus, horizontal juniper and bearberry. Not an ADA compliant event.
